Former Deputy Director of the Central Intelligence Agency Michael J. Morell visits the Council to offer an unprecedented look into our nation’s war against terrorism during the period he calls the “most remarkable in the history of the CIA.” Mr. Morell will discuss his book, The Great War of Our Time: An Insider’s Account of the CIA’s Fight Against Terrorism – from al Qaeda to ISIS from the perspective of the only person with both President Bush when the World Trade Center towers fell on September 11, 2001 and with President Obama on May 1, 2011, during the capture and death of Osama Bin Ladin.
