RESEARCH NEWS

Promise Neighborhoods Grants: Comments Requested
Under the legislative authority of the Fund for the Improvement of Education Program (FIE), the USEd is in the planning stages of creation of this new grants program. FIE supports nationally significant programs to improve the quality of elementary and secondary education at the State and local levels and help all children meet challenging State academic content and student academic achievement standards. The proposed priorities for the Promise Neighborhoods competition are now available for public comment and include both planning and implementation grants. For more information, including contact information, please review the announcement. Please note that comments must be submitted no later than April 11th.

Temple Undergrads Share Research
On April 7th, “ambitious, intellectually motivated undergraduate students” from across the University will
assemble as part of the Temple Undergraduate Research Forum & Creative Works Symposium. Each presenter will discuss their scholarly research and exploration fostered by support from their faculty mentors. Please view the preliminary schedule for a list of tentative presentations, or visit the Office of the Provost website for more information.

Grant Budget Template
As was announced in the previous ACCLAim, grant budgets must now be submitted to the sponsored projects office with account codes. To facilitate an easy transition to this new process, we have developed a budget template which incorporates the codes most commonly used for CLA grants. Please use this budget template when preparing any grant budget. If you need assistance, or have any questions, please contact Gina Barnes.

DEVELOPMENT & TRAINING OPPORTUNITIES

Interdisciplinary Substance Abuse Retreat
On April 28th, from 8:30 am - 1:00 pm, the Office of the Senior Vice Provost for Research and Graduate Education will host a Research Exchange on Substance Abuse Research at Temple University. Faculty currently engaged in substance abuse research or interested in this area of study are invited to attend. Additional details about the Research Exchange will be forthcoming soon.

Research Accounting Services Brown Bag Session

~ Register Here
Enhance your understanding for the management of Externally Sponsored Projects which comprises research compliance fundamentals, including: 1) roles and responsibilities; 2) obligations for conducting research
ethically and in compliance with applicable policies and regulations and; 3) where to find resources and information that support the research enterprise which will help in the fulfillment of research-related duties.

OTHER NEWS

CLA Dean’s Office Spring Food Drive
“One in Four Americans Worried about Having Enough Money for Food,” as reported via an online survey conducted by Tyson’s as part of their KNOW Hunger campaign.

Once again, the CLA Dean’s Office invites faculty, staff, and students to participate in a spring food drive to benefit Philabundance, and help feed the many residents of the Delaware Valley for whom being hungry is a fact of life.

Food will be collected in the 12th Floor Lobby from Monday, April 4th through Friday, May 20th. Contact Gina Barnes for information.
